“

To distribute power and leadership in organizations,
we need to acknowledge their existence first.

”

La hiérarchie dynamique

<https://medium.com/ouishare-connecting-the-collaborative-economy/cut-the-bullshit-organizations-with-no-hierarchy-dont-exist-f0a845e73a80>

“

Rather than removing bosses from the workplace, I think their role needs to evolve to that of a facilitator, coordinator and leader—*stewarding and coordinating* rather than commanding; holding space and supporting rather than controlling; empowering team members to do their best work, and be their best selves.
